WHY AURORA DEFENSE GROUP?

We know you have many choices when it comes to vehicle lighting products. Here are reasons why ADG offers additional value.

OEM unlike many other competitors we manufacture our lights.

MRO able to provide life-cycle weapon system spare parts support.

Innovation We bring creative solutions to complex problems.

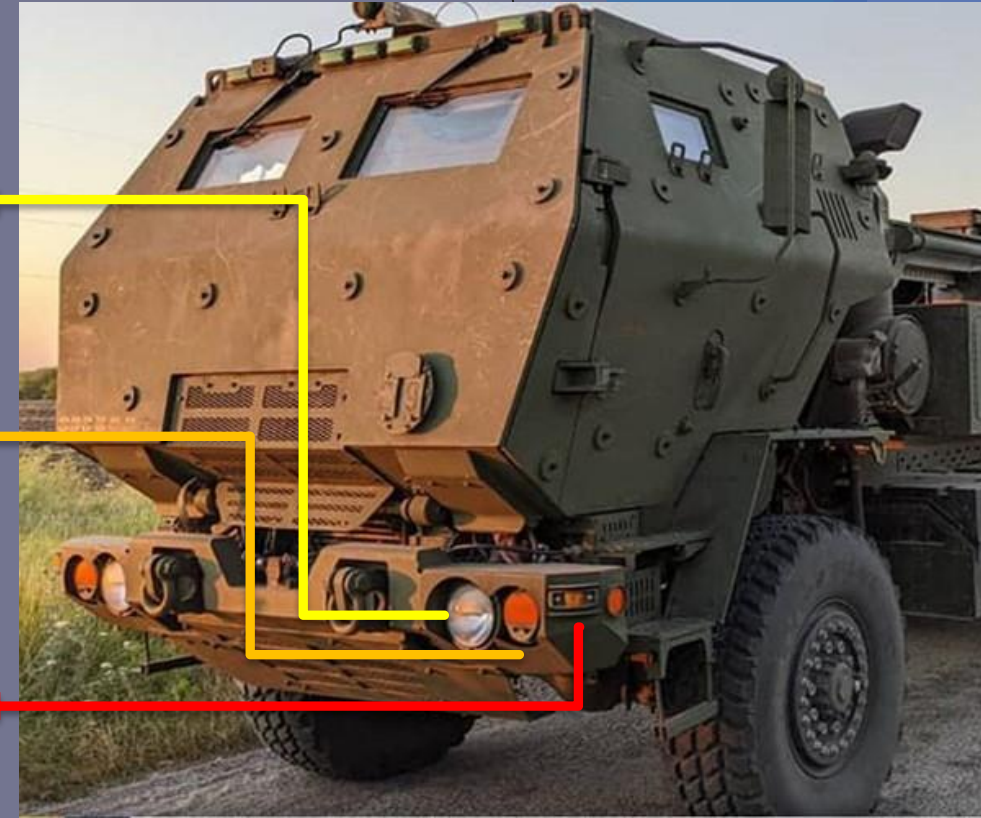

Problem Solver. Able to anticipate and fix production problems, e.g., costs, delays

Fast Response We are able to respond to accelerated delivery schedules and meet surge requirements.

Security U. S. based manufacturer employing only U.S. citizens

Specialized Packaging We have proven design experience in shock resistant packaging for delivery in high-risk areas. e.g., combat zones
